Sec. 11303 to evidence for the public record the appointment of Manufacturers Hanover, in its capacity as Agent under the Finance Agreement, as successor assignee under the Conditional Sale Agreement and the Assignment, and the change in identification numbers of certain units of the Conditional Sale Agreement equipment;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

1. Morgan hereby appoints Manufacturers Hanover Trust Company, a corporation organized and existing under the laws of the State of New York and having its corporate trust department at 600 Fifth Avenue, New York, New York 10020, as successor Agent under the Finance Agreement and hereby assigns to Manufacturers Hanover all of its rights and privileges under the Conditional Sale Agreement and the Assignment, subject to all of the obligations of the Assignee thereunder.

2. Effective at the close of business on August 31, 1984, Manufacturers Hanover hereby accepts all of the

properties, rights, powers, duties and obligations of Morgan, Manufacturers Hanover's predecessor Agent under the Finance Agreement and predecessor Assignee under the Conditional Sale Agreement and Assignment, upon the terms and conditions set forth herein and therein.

3. Manufacturers Hanover, pursuant to the provisions of the Conditional Sale Agreement and the Assignment, hereby requests that Morgan by these presents transfer and convey to Manufacturers Hanover, as successor Assignee, all the right, title and interest in and to the equipment described in the Conditional Sale Agreement and to any cash, securities or other property held by Morgan under the Conditional Sale Agreement and the Assignment and all the rights, powers, duties and obligations of Morgan under the Conditional Sale Agreement and the Assignment, and hereby requests that the Railroad by these presents join in such transfer and conveyance.

4. Pursuant to the request of Manufacturers Hanover, Morgan hereby grants, gives, bargains, sells, aliens, remises, releases, conveys, confirms, assigns, transfers, delivers and sets over to Manufacturers Hanover, as such successor Assignee, all the right, title and interest of Morgan in and to the estate created by the Conditional Sale Agreement (including, without limitation, any money, securities, and railroad equipment) and all

rights, powers, duties and obligations under the Conditional Sale Agreement and the Assignment and does hereby pay over, assign, transfer and deliver to Manufacturers Hanover, as successor Assignee, any money, securities or other property which Morgan, as predecessor Assignee, holds pursuant to the terms of the Conditional Sale Agreement and the Assignment.

The above-mentioned railroad trust equipment is granted, given, bargained, sold, alienated, remised, released, conveyed, confirmed, assigned, transferred, delivered and set over by Morgan in the respective condition "as is" of each unit of such equipment, without any representation or warranty whatsoever, with respect to the equipment, express, implied or statutory, in law or in equity, by Morgan including, without limitation, any representation or warranty as to the existence, value, quality, condition, merchantability, obsolescence, fitness, suitability for use or working order of any of such equipment being transferred hereby and, with respect to the equipment, without recourse against Morgan in any event, in any contingency or for any cause, except that Morgan warrants that it has conveyed the title it possesses in the equipment free of liens or defects of title resulting from action taken or omitted to be taken by Morgan other than in connection with the transactions contemplated by the Finance

Agreement, the Conditional Sale Agreement and the Assignment; and such equipment is accepted by Manufacturers Hanover, as successor Assignee, subject to all the foregoing conditions set forth in this paragraph.

5. Upon the transfer and delivery of all moneys, any securities and railroad equipment held by Morgan and the execution by Morgan of such instruments of transfer as may be reasonably requested by Manufacturers Hanover, and upon acceptance by Manufacturers Hanover of the assignment, Morgan shall be relieved and discharged of all the title, rights, powers, duties and obligations of the Finance Agreement, the Conditional Sale Agreement and the Assignment, and the same shall become vested in Manufacturers Hanover, and every provision thereof applicable to Morgan shall apply to Manufacturers Hanover with like effect as if Manufacturers Hanover had been originally named therein in the place and stead of Morgan; provided, however, that any rights of Morgan to compensation, expenses and disbursements for the period during which it serves as Agent and Assignee shall not be terminated by the execution and delivery of this instrument.

6. Manufacturers Hanover shall not be held responsible in any way to the Investors named in the Finance Agreement or to any other person by reason of any act or omission of Morgan, as Agent and Assignee.

7. The Railroad, for the purpose of more fully and certainly vesting in and confirming to Manufacturers Hanover, as successor Agent and Assignee, such title and such estates, properties, rights, powers, duties and obligations, at the request of Manufacturers Hanover, joins in the execution hereof.

8. The Railroad represents and warrants that:

- (a) it is validly organized and existing;
- (b) it has performed or fulfilled each covenant, agreement and condition on its part to be performed or fulfilled under the Finance Agreement and the Conditional Sale Agreement;
- (c) it has no knowledge of the existence of any default, or event of default, or any event which upon notice or passage of time or both would become a default or an event of default, under the Conditional Sale Agreement; and
- (d) it will continue to perform the obligations undertaken by it under the Finance Agreement and the Conditional Sale Agreement.

9. Morgan represents and warrants to Manufacturers Hanover that

- (a) it has made, or promptly will make, available to Manufacturers Hanover originals of all documents relating to the equipment covered by the Finance

Agreement and the Conditional Sale Agreement and all information in the possession of its Corporate Trust Department relating to the administration and status thereof and will furnish to Manufacturers Hanover any of such documents or information Manufacturers Hanover may request; and

(b) based on information known to the officers in the Corporate Trust Department of Morgan, no default or event of default or event which upon notice or lapse of time or both would become a default or an event of default under the Conditional Sale Agreement exists.

10. Manufacturers Hanover represents and warrants that it is eligible and qualified to serve as successor Agent under the provisions of the Finance Agreement and as successor Assignee under the provisions of the Conditional Sale Agreement and the Assignment.

11. The Railroad hereby covenants to do and perform any other act, and to execute, acknowledge, deliver, file, register and record this Instrument of Appointment of, Acceptance of Appointment by, and Assignment to, Successor Agent and Assignee and Statement of New Identifying Numbers, or such other instruments as may be appropriate, to be filed and recorded pursuant to 49 U.S.C. Sec. 11303 and otherwise as may be required by law for the full protection of the title of the successor Agent and Assignee and of the rights

of the Investors named in the Finance Agreement so that this Instrument, the Conditional Sale Agreement and the Assignment and all said other instruments, shall at all times be duly filed and recorded. The Railroad will promptly furnish to the successor Agent and Assignee certificates or other evidences of such filing and recording.

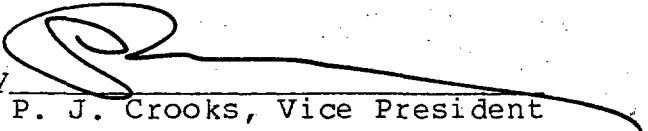

12. The Railroad covenants and agrees to execute all writings recognizing the transfer of title as hereinabove set forth and all instruments of further assurance or otherwise as reasonably may be requested by the successor Agent and Assignee in the premises, and will do and perform any and all acts necessary to establish and maintain the title and rights of the successor Agent and Assignee in and to the railroad equipment described in the Conditional Sale Agreement.

13. This Instrument is being executed in several counterparts each of which when so executed shall be deemed to be an original, but such counterparts shall together constitute but one and the same instrument.

14. All notices, demands and other communications under the Finance Agreement, the Conditional Sale Agreement or the Assignment shall be given to Manufacturers Hanover, as successor Agent and Assignee, at 600 Fifth Avenue, New York, New York 10020, Attention: Corporate Trust Department, or at such other address as may hereafter be furnished to the Company in writing by Manufacturers Hanover.

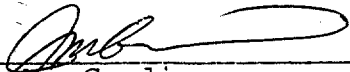

15. A complete listing of the railroad equipment subject to the Conditional Sale Agreement showing the type and current identification number of each unit thereof is attached hereto as Schedule A. This listing replaces and supersedes all previous listings of equipment in the Conditional Sale Agreement or any amendment or supplement thereto.
